

YLPEC REQUIRED INOCULATIONS

***** ALL INCOMING HORSES MUST BE VACCINATED BEFORE ENTERING THE EQUESTRIAN FACILITY****

Horse's name: _____ Stall Number: _____

Owner: _____

Spring: Due to barn manager by April 1st every year.

_____ : Eastern and Western Equine Encephalomyelitis

_____ : Tetanus

_____ : Influenza

_____ : Rhinopneumonitis

_____ : West Nile

_____ : Rabies

_____ : Strangles*

The administration of the Strangles vaccine can be determined on a case-by-case basis using a titer test. The titer test will be required if the boarder refuses the strangles vaccine and must be done prior to boarding

Fall: Due to barn manager by November 1st every year.

_____ : Rhinopneumonitis

_____ : Influenza

Veterinarian signature _____ Date _____

Horses are to be vaccinated semiannually, in the spring and fall. A vaccine clinic is provided to boarders, held at the facility. Boarders are not required to use the YLPEC vaccine clinic but are also not allowed to administer the vaccines themselves. The required vaccinations must be administered at a licensed veterinary clinic. If owner's do not use the on-site vaccination clinics provided twice a year by YLPEC, the receipt of services rendered, listing all vaccinations administered, must be provided in lieu of this form.
