

## Candidate Statement for Randy Sacks

So I have decided to run for one of the open spots on the HOA board. Why? I want to be able to give back to the community I have come to love. I am willing to put in the 10 – 20 hours a month of time that is required, more if necessary and will always make sure I am well versed on any issues that will be discussed or voted on.

I have given this a lot of thought and I do not take the responsibility lightly. I also do not come to this with any preconceived notions of what is or is not being handled correctly. I am not in a position to make that call, unless elected and only then by due diligence of all the facts, limitations, and conditions that contribute to those decisions.

As a business owner of over 25 years I do understand budgets, profit and loss statements, basic accounting and more importantly that many decisions are complex. I am able to take information and make decisions based on the reality of the situation. I am also able to work within a committee or community and actually listen to all of the input before a rush to judgement.

I think these are abilities that would serve the board well. Mostly I love this community, living here, meeting the people here, enjoying the natural beauty and all that it has to offer.

Yosemite Lakes Park is a unique community, and I am honored to be a part of it. I have been welcomed into this community and it is my hope that I am able to do the same for people who come here seeking a rural and peaceful way of life, away from the noise and crowds that cover so much of our state.

If elected I will serve with honor and appreciation, cooperation with the members of the board and staff, and mostly with a profound sense of pride in being part of this community.
